SUMMARY

Self-driven Information Systems Master's graduate and Cisco CCNA Certified with 6+ years of experience in Python and IT Projects. Open to relocate.

TECHNICAL SKILLS

- Python (Advanced)
- Router Configuration (Advanced)
- Network Security (Advanced)
- OSI Layers
- SQL (Advanced)
- ACL & Firewalls (Advanced)
- Ruby (Basic)
- Command Line
- Routing Protocols (Advanced)
- TCP/IP Networking (Advanced)
- Automation
- Linux / Unix

WORK EXPERIENCE

AI Prompt Engineer Intern   **Aug 2023 – Dec 2023**
SecureTrust Cyber, Houston, TX
- Devised and collaborated tasks with team members in weekly Scrum meetings and innovated work processes of securely testing code by recommending best practices in compliance with regulations and security policies.
- Utilized Streamlit API calls to develop dashboard and delivered functional AI capable of monitoring and suggesting which organization end devices require updates and gauging potential risk of being compromised.
- Supervised integration of new personnel by remotely setting up client-side Anaconda environments.

Graduate Teaching Assistant   **Jan 2022 – May 2022**
University of Texas at Arlington, Arlington, TX
- Organized and facilitated responsibilities for 2 database classes and improved output productivity.
- Created and clarified database installation instructions with troubleshooting steps and mitigated overhead by resolving technical issues.
- Advised and evaluated 60+ students weekly in conformity with security protocols and policies.

EDUCATION

Master of Science in Information Systems   **Dec 2022**
University of Texas at Arlington, Arlington, TX   Perfect Cumulative GPA 4.0

INFORMATION TECHNOLOGY PROJECTS

GitHub Project Portfolio: chrismakeskode.github.io/projects/

Group Project Management (At Your Doorstep)   **Sept 2022 – Dec 2022**
- Initiated, established, and enforced expectations for developing and delivering a delivery mobile service app.
- Implemented risk mitigation strategies and fortified project progress to remain on schedule.
- Critiqued and assessed project performance and team members and communicated results in routine presentations and reports.

Google Store E-Commerce Analysis   **Jun 2022 – Jul 2022**
- Analyzed international web traffic patterns of Google Store and uncovered notable traction among select continents with machine learning models.
- Provided data-driven suggestions for optimizing prospective marketing campaigns.

Databasing Furniture Store Operations   **Aug 2021 – Dec 2021**
- Directed and delivered relational database in SQL for a furniture store capable of accurate retention of transactions, inventory, and personnel.
- Proven advanced understanding of database management and concepts.

Bachelor of Science in University Studies   **Dec 2020**
University of Texas at Arlington, Arlington, TX

CERTIFICATIONS

Cisco Certified Network Associate (CCNA)   **May 2024**
Cisco
Oracle Certified Associate, Java SE 8 Programmer   **Aug 2021**
